REMARKS

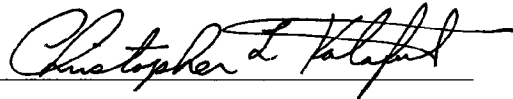

This amendment is being filed prior to payment of the issue fee. Entry of the foregoing amendment is respectfully requested. The amendment is required to respond to the Notice to File Corrected Application Papers mailed on February 15, 2008.

Replacement drawing sheets 1-3 are being submitted to replace original drawing sheets 1/5, 2/5, and 3/5. The original drawing sheets were filed with the application, and a marked up version of drawing sheets 1/5, 2/5, and 3/5 was submitted with a response on August 14, 2002. The present replacement drawing sheets correspond to the changes made in the previously submitted marked up version of the drawing sheets. As discussed above, the changes to drawings involve expanding acronyms/letters into words. As such, the red-ink cross-outs have been removed from the drawing sheets. The replacement sheets are also being submitted in clean form, without black smudges. Applicants respectfully submit that no new matter is being added to the application. Entry of the amendment is respectfully requested.

It is believed that no fees are due in connection with this Amendment and Reply. In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 19-0741.

Respectfully submitted,
